# Washington Elem School (KG - 2)

## MUNDELEIN ESD 75

2025 - 2026

**Principal**
Dr. Lilli Melamed
lmelamed@d75.org

**Address**
122 S Garfield Ave
Mundelein IL 60060
(847) 949-2714

**District Superintendent**
Dr. Corey Tafoya

**http://www.district75.org**

**District Provided Statement**

D75 has many accomplishments including a robust fine arts program featuring award-winning bands, theatrical productions, and specialized extracurriculars such as the Mariachi Club. To showcase our students' immense talent, a state-of-the art stage was added to CSMS last spring. Also, MG received the coveted Legacy Award through the Leader in Me program. This honor highlights our dedication to instilling lifelong leadership skills.

## About the Report Card

**State and federal laws require public school districts to release report cards to the public each year.**

For additional information, refer to the Public Business Rules for 2026 Report Card Metrics and the 2026 Glossary of Terms.

## School Snapshot

**Site-Based Expenditure Per Student Spending :** $11,284

**Average Class Size :** 22.4

**8th Graders Passing Algebra I :** *

**Chronic Absenteeism :** 18.2%

**Teacher Retention :** 83.2%

**Senate District :** 30 **House District :** 59

# Academic Progress

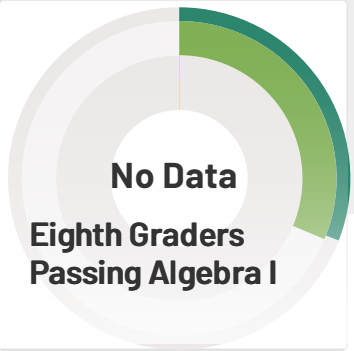

## About the data

Academic progress data includes information regarding assessments, such as student participation rates, proficiency rates, and mean student growth percentile. Other information regarding academics may include certain touchstones, such as eighth-graders passing Algebra 1, graduation rate, and various advanced coursework information. Academic progress often is disaggregated further into demographic student groups.

# Academic Progress

## ELA Proficiency – Overall

**What is it?**

This shows the percentage of students at each performance level after assessment for proficiency in English Language Arts (ELA). The federal Every Student Succeeds Act (ESSA) requires states to assess their learning standards for English/Language Arts (ELA), Math, and Science. Each state may also have a general assessment for the majority of its students, and an alternate assessment for the one percent of students with the most significant cognitive disabilities. The "overall" percentage is calculated by subject combining all tests.

## ELA Proficiency – IAR

**What is it?**

This shows the percentage of students scoring at each of the Performance Levels for the Illinois Assessment of Readiness (IAR). Each Performance Level is a broad, categorical level defined by a student's overall scale score and used to report overall student performance by describing how well students met the expectations for their grade level/course. Each Performance Level is defined by a range of overall scale scores for the assessment. There are four Performance Levels for IAR assessments:

- Level 1: Below Proficient
- Level 2: Approaching Proficient
- Level 3: Proficient
- Level 4: Above Proficient

Students performing at levels 3 and 4 met or exceeded expectations, have demonstrated readiness for the next grade level/course and, ultimately, are on track for college and careers. Performance Level Descriptors describe the knowledge, skills, and practices that students should know and be able to demonstrate at each Performance Level in each content area and at each grade level/course.

***** indicates non-reported data. ‡ indicates suppressed data due to privacy concerns. Student counts reported are counts out of groups 10 or greater.

## ELA Proficiency – DLM

**What is it?**

This shows the percentage and number of students scoring at each of the performance levels for the Dynamic Learning Maps Alternative Assessment (DLM-AA) for students with cognitive disabilities. DLM-AA results are not based on raw or scale scores; all data is based on diagnostic classification modeling. Standard setting allows us to look at patterns of number of linkage levels mastered across the tested Essential Elements, to which we can apply cut points to define categories of student performance. This performance are reported using the four Performance Levels approved by the consortium:

- Level 1 – Emerging: The student demonstrates emerging understanding of and ability to apply content knowledge and skills represented by the Essential Elements.
- Level 2 – Approaching Target: The student's understanding of and ability to apply targeted content knowledge and skills represented by the Essential Elements is approaching the target.
- Level 3 – At Target: The student's understanding of and ability to apply content knowledge and skills represented by the Essential Elements is at target.
- Level 4 – Advanced: The student demonstrates advanced understanding of and ability to apply targeted content knowledge and skills represented by the Essential Elements.

## ELA Participation - Overall

**What is it?**

Participation Rate is defined as the number of students who received participation credit for the state assessment divided by the number of students who were required to participate in the state assessment. No Participation Rate is defined as the number of students who did not receive participation credit for the state assessment divided by the number of students who were required to participate in the state assessment. The "overall" percentage is calculated by subject combining all tests.

## ELA Growth – IAR

**What is it?**

Student growth percentile (SGP) is a measure of student growth that compares a student's performance over time to that of their academic peers (e.g., students in Illinois who have the same scale score in the prior year). It includes the current year score and up to two prior years' scores allowing the growth percentile calculation to represent a true growth trend and not just movement up and down from year to year. Individual student growth percentiles range from 1 to 99. A score of 50 represents average or expected growth each year (or reflects the absence of directly comparable data from the previous year to use as a baseline for comparison.) These scores are averaged to create a school or student group mean student growth percentile (MSGP).

**Cohort Growth Percentile ELA - By Demographics**

## Math Proficiency - Overall

**What is it?**

This shows the percentage of students at each performance level after assessment for proficiency in Math. The federal Every Student Succeeds Act (ESSA) requires states to assess their learning standards for English/Language Arts (ELA), Math, and Science. Each state may also have a general assessment for the majority of its students, and an alternate assessment for the one percent of students with the most significant cognitive disabilities. The "overall" percentage is calculated by subject combining all tests.

## Math Proficiency - IAR

**What is it?**

This shows the percentage of students scoring at each of the Performance Levels for the Illinois Assessment of Readiness (IAR). Each Performance Level is a broad, categorical level defined by a student's overall scale score and used to report overall student performance by describing how well students met the expectations for their grade level/course. Each Performance Level is defined by a range of overall scale scores for the assessment. There are four Performance Levels for IAR assessments:

- Level 1: Below Proficient
- Level 2: Approaching Proficient
- Level 3: Proficient
- Level 4: Above Proficient

Students performing at levels 3 and 4 met or exceeded expectations, have demonstrated readiness for the next grade level/course and, ultimately, are on track for college and careers. Performance Level Descriptors describe the knowledge, skills, and practices that students should know and be able to demonstrate at each Performance Level in each content area and at each grade level/course.

***** indicates non-reported data. ‡ indicates suppressed data due to privacy concerns. Student counts reported are counts out of groups 10 or greater.

## Math Proficiency - DLM

**What is it?**

This shows the percentage and number of students scoring at each of the performance levels for the Dynamic Learning Maps Alternative Assessment (DLM-AA) for students with cognitive disabilities. DLM-AA results are not based on raw or scale scores; all data is based on diagnostic classification modeling. Standard setting allows us to look at patterns of number of linkage levels mastered across the tested Essential Elements, to which we can apply cut points to define categories of student performance. This performance are reported using the four Performance Levels approved by the consortium:

- Level 1 – Emerging: The student demonstrates emerging understanding of and ability to apply content knowledge and skills represented by the Essential Elements.
- Level 2 – Approaching Target: The student's understanding of and ability to apply targeted content knowledge and skills represented by the Essential Elements is approaching the target.
- Level 3 – At Target: The student's understanding of and ability to apply content knowledge and skills represented by the Essential Elements is at target.
- Level 4 – Advanced: The student demonstrates advanced understanding of and ability to apply targeted content knowledge and skills represented by the Essential Elements.

## Math Participation – Overall

**What is it?**

Participation Rate is defined as the number of students who received participation credit for the state assessment divided by the number of students who were required to participate in the state assessment. No Participation Rate is defined as the number of students who did not receive participation credit for the state assessment divided by the number of students who were required to participate in the state assessment. The "overall" percentage is calculated by subject combining all tests.

## Math Participation – DLM

**What is it?**

Participation Rate is defined as the number of students who received participation credit for the state assessment divided by the number of students who were required to participate in the state assessment. No Participation Rate is defined as the number of students who did not receive participation credit for the state assessment divided by the number of students who were required to participate in the state assessment.

## Math Growth – IAR

**What is it?**

Student growth percentile (SGP) is a measure of student growth that compares a student's performance over time to that of their academic peers (e.g., students in Illinois who have the same scale score in the prior year). It includes the current year score and up to two prior years' scores allowing the growth percentile calculation to represent a true growth trend and not just movement up and down from year to year. Individual student growth percentiles range from 1 to 99. A score of 50 represents average or expected growth each year (or reflects the absence of directly comparable data from the previous year to use as a baseline for comparison.) These scores are averaged to create a school or student group mean student growth percentile (MSGP).

## Science Proficiency - Overall

**What is it?**

This shows the percentage of students at each performance level after assessment for proficiency in Science. The federal Every Student Succeeds Act (ESSA) requires states to assess their learning standards for English/Language Arts (ELA), Math, and Science. Each state may also have a general assessment for the majority of its students, and an alternate assessment for the one percent of students with the most significant cognitive disabilities. The "overall" percentage is calculated by subject combining all tests.

## Science Proficiency - ISA

**What is it?**

This shows the percentage and number of students scoring at each of the Performance Levels for the Illinois Science Assessment (ISA). The ISA performance levels indicate students' understanding of the Illinois Learning Standards in science for their grade level. There are four Performance Levels for the ISA:

- Level 1 – Below Proficient: Work at this level shows a partial application of knowledge and skills. It is superficial (lacks depth), fragmented, or incomplete and needs considerable development. Work contains errors or omissions.
- Level 2 – Approaching Proficient: Work at this level does not meet the standard. It shows basic, but inconsistent, application of knowledge and skills. Minor errors or omissions detract from the overall quality. Work needs further development.
- Level 3 – Proficient: Work at this level meets the standard. It is acceptable work that demonstrates application of essential knowledge and skills. Minor errors or omissions do not detract from the overall quality.
- Level 4 – Above Proficient: Work at this level is of exceptional quality. It is both thorough and accurate. It exceeds the standard. It shows a sophisticated application of knowledge and skills.

***** indicates non-reported data. ‡ indicates suppressed data due to privacy concerns. Student counts reported are counts out of groups 10 or greater.

## Science Proficiency - DLM

**What is it?**

This shows the percentage and number of students scoring at each of the performance levels for the Dynamic Learning Maps Alternative Assessment (DLM-AA) for students with cognitive disabilities. DLM-AA results are not based on raw or scale scores; all data is based on diagnostic classification modeling. Standard setting allows us to look at patterns of number of linkage levels mastered across the tested Essential Elements, to which we can apply cut points to define categories of student performance. This performance are reported using the four Performance Levels approved by the consortium:

- Level 1 – Emerging: The student demonstrates emerging understanding of and ability to apply content knowledge and skills represented by the Essential Elements.
- Level 2 – Approaching Target: The student's understanding of and ability to apply targeted content knowledge and skills represented by the Essential Elements is approaching the target.
- Level 3 – At Target: The student's understanding of and ability to apply content knowledge and skills represented by the Essential Elements is at target.
- Level 4 – Advanced: The student demonstrates advanced understanding of and ability to apply targeted content knowledge and skills represented by the Essential Elements.

## Science Participation – ISA

**What is it?**

Participation Rate is defined as the number of students who received participation credit for the state assessment divided by the number of students who were required to participate in the state assessment. No Participation Rate is defined as the number of students who did not receive participation credit for the state assessment divided by the number of students who were required to participate in the state assessment.

## Eighth Graders Passing Algebra I

**What is it?**

This shows the percentage of eighth-graders passing Algebra I. They are defined as eighth-grade students who have successfully completed Algebra I (or its equivalent) by the end of Grade 8. Successful completion is measured by earning a D or above and receiving at least 1.0 credit hour.

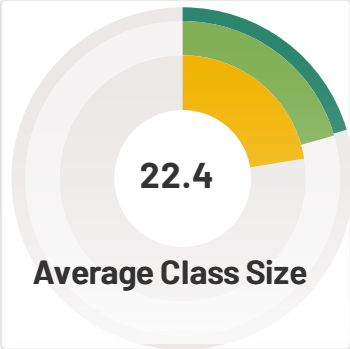

| | All | Female | Male | Non Binary | American Indian | Asian | Black | Hispanic | MENA | Native Hawaiian/ Pacific Islander | Two or More Races | White | Students with Disabilities |

## About the data

School environment data includes information regarding finances as well as information regarding conditions in the classroom, such as average class size and total school days.

## Illinois Youth Survey

**What is it?**

This confirms whether or not this school participated in the Illinois Youth Survey (IYS) for the school year. The Illinois Youth Survey is a self-report survey of eighth-, 10th-, and 12th-grade students conducted during the spring of even-numbered years. It is administered in school settings and designed to gather information about a variety of health and social indicators, including substance use patterns and attitudes of Illinois youth. IYS is supported by the Center for Prevention Research and Development (CPRD) at the University of Illinois at Urbana-Champaign. For more information, visit iys.cprd.illinois.edu. This indicator shows whether your school participated during the most recent administration year. CPRD provides all schools that participate in the Illinois Youth Survey a summary report of their results.

| | School did participate in Illinois Youth Survey |
|---|---|
| **School** | **No** |

* indicates non-reported data. ‡ indicates suppressed data due to privacy concerns. Student counts reported are counts out of groups 10 or greater.

## Early Learning

**What is it?**

This shows the percentage of entering kindergartners rated on their readiness. The Kindergarten Individual Development Survey (KIDS) was implemented statewide in Illinois in the 2017-18 school year. KIDS is an observational assessment tool designed to help teachers, administrators, families, and policymakers better understand the development of children in kindergarten. ISBE requires kindergarten teachers to collect observations beginning on the first day of in-person instruction on a minimum of 14 required measures, which are from three key developmental areas. This subset of 14 measures provides a developmental indicator for a group of students (class, school, district, state) in kindergarten.

**Kindergarten Individual Developmental Survey (KIDS) Results - Overall**

| | % of Entering Kindergartners Rated on Required 14 Measures | % of Entering Kindergartners Demonstrating Readiness by Developmental Area | | | | | | |
|---|---|---|---|---|---|---|---|---|
| | | In 0 Developmental Areas | In 1 Developmental Area | In 2 Developmental Areas | In All 3 Developmnetal Areas | Social and Emotional Development | Language and Literacy Development | Math |

## School Level Finances

**What is it?**

Average spending per student at this school, as collected through the unaudited ESSA Site-Based Expenditure Report. Districts report the actual dollars spent in the previous school year, including site-level costs (like school staff) and districtwide centralized costs allocated to each individual school (like transportation and central office staff), divided by the school's enrollment. Districts also report whether federal or state/local sources funded the spending.

| | | Site level Per Pupil Expenditures | | | District Centralized Per Pupil Expenditures | | | Total Per Pupil Expenditures | | | | |
|---|---|---|---|---|---|---|---|---|---|---|---|---|
| | Enrollment | Federal | State/Local | Subtotal | Federal | State/Local | Subtotal | Federal | State/Local | Total | Exclusions | Total Expenditures |
| **School** | **478** | **$629** | **$10,654** | **$11,284** | **$160** | **$6,984** | **$7,144** | **$789** | **$17,639** | **$18,428** | * | * |
| District | **1,525** | **$413** | **$11,583** | **$11,996** | **$160** | **$6,984** | **$7,144** | **$573** | **$18,567** | **$19,140** | **$8,100,979** | **$37,291,513** |

* indicates non-reported data. ‡ indicates suppressed data due to privacy concerns. Student counts reported are counts out of groups 10 or greater.

## Average Class Size

**What is it?**

This shows the average number of students in each class at this school. Class size refers to the number of students in a classroom, specifically either the number of students being taught by individual teachers in a classroom or the average number of students being taught by teachers in a school, district, or education system

| | K | Grade 1 | Grade 2 |
|---|---|---|---|
| **School** | **22.4** | **22.2** | **22.3** |
| District | **22.4** | **22.2** | **22.3** |
| State | **19.3** | **19.6** | **19.9** |

## Total School Days

**What is it?**

This shows the total number of days in which the school provided at least five hours of instruction during the school year. The minimum length for an Illinois public school's year is 176 days. The number of actual calendar days varies from district to district.

| | Total School Days |
|---|---|
| **School** | **176** |
| District | **176** |
| State | **176** |

* indicates non-reported data. ‡ indicates suppressed data due to privacy concerns. Student counts reported are counts out of groups 10 or greater.

## Health and Wellness

**What is it?**

Days PE per week: This shows the average number of days of physical education per week per student.

Truant Minor Count: The table below reports the count of the number of truant minors in the district in the previous school year.

Truant Minors are defined as chronic truants to whom supportive services, including prevention, diagnostic, intervention and remedial services, alternative programs and other school and community.

**Days PE per week**

| | Days PE per week |
|---|---|
| **School** | **5** |

## About the data

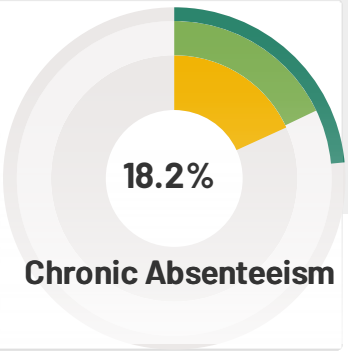

Student data includes information regarding the student population, including enrollment and attendance data, as well as information regarding specific student groups, such as gifted students and English Learner students. Student data often is disaggregated further into demographic student groups.

**477**

**Student Enrollment**

**Racial/Ethnic Diversity**

**Chronic Absenteeism**

## Student Enrollment

**What is it?**

This shows the total percentage and number of students enrolled in this school as of October 1 of the current school year. District-level enrollment includes students attending a school in the district and students placed in private schools by the district and funded by the district. The student enrollment excludes the following:

- Students given vouchers to attend private schools
- Students placed by their parents in private schools whose tuition is paid for by their parents, but who receive special education services from their home district

## Advanced Academic Programs

**What is it?**

Advanced Academic Programs are courses of study to which students are assigned based on advanced cognitive ability or advanced academic achievement compared to local age peers and in which the curriculum is substantially differentiated from the general curriculum to provide appropriate challenge and pace.

Students who are Identified as Accelerated: The percentage of students who are Identified as Accelerated. Assessing a student for placement in an Advanced Academic Program may include assessment of a student as accelerated, either whole grade or in a combination of one or more subjects.

Students who are Identified as Accelerated by Demographics: The percentage of students who Are Identified as Accelerated, allowing the totals to be broken down by subject and/or other demographic and programmatic factors.

Advanced Placement (AP) Testing (College Board) Exams: This shows the cumulative total number of AP exams taken and the cumulative total number of AP exams receiving a score of 3.0 or more. Upon completion of an AP course, students may choose to take the corresponding AP Exam. Illinois state law PA 99-0358 provides that a student who takes a College Board Advanced Placement examination and receives a score of 3 or higher on the examination is entitled to receive postsecondary level course credit at an Illinois public institution of higher education.

Students Enrolled in Advanced Academic Coursework: Advanced Academic Coursework includes courses in a variety of categories, all of which may or may not be offered within an individual school or district: Advanced Placement Coursework, IB Coursework, Enriched of Honors Coursework, and Dual-Credit Coursework.

Students Enrolled in Advanced Academic Coursework – Grade and Demographics: The percentage of students who are enrolled in Advanced Placement Coursework, allowing the totals to be broken down by type of coursework, grade level, and/or other demographic and programmatic factors.

Students Assessed for Giftedness by Demographics: The number and percentage of students at this location who have been assessed for giftedness, allowing the totals to be broken down by subject and/or other demographic and programmatic factors.

Students Assessed for Giftedness Taught by a Gifted Endorsed Teacher – Grade and Demographics: The number and percentage of students at this location who have been assessed for giftedness and were taught by a Gifted Endorsed Teacher, allowing the totals to be broken down by subject, grade level, and/or other demographic and programmatic factors.

Students Identified as Gifted by Demographics: The number and percentage of students at this location who have been identified as gifted in accordance with the district's gifted assessment and academic policy, allowing the totals to be broken down by subject and/or other demographic and programmatic factors.

Students Identified as Gifted Taught by a Gifted Endorsed Teacher – Grade and Demographics: The number and percentage of students at this location who have been identified as gifted in accordance with the district's gifted assessment and academic policy and were taught by a Gifted Endorsed Teacher, allowing the totals to be broken down by subject and/or other demographic and programmatic factors.

## Student Mobility Rate

**What is it?**

A school's student mobility rate is the percentage of students who experienced at least one transfer in or out of the school between the first school day of October and the last school day of the year. Graduates are not included.

**Student Mobility**

| | All | Female | Male | Non Binary | American Indian | Asian | Black | Hispanic | MENA | Native Hawaiian/ Pacific Islander | Two or More Races | White | Students with Disabilities |

## Chronic Absenteeism Rate

**What is it?**

This shows the percentage of students who miss 10 percent or more of school days per year either with or without a valid excuse. Illinois law defines "chronic absentee" as a student who misses 10 percent of school days within an academic year with or without a valid excuse. That's 18 days of an average 180-day school year. Excused absences include illness, suspension, need to care for a family member, etc. Students need daily instruction in order to succeed. Chronic absentees are at risk of academic and social problems.

**By Subgroups**

## Chronic Truancy Rate

**What is it?**

This shows the percentage of students who are considered chronic truants as defined in Section 26-2a of the School Code. Chronic truants include students subject to compulsory attendance who have been absent without valid cause from such attendance for 5 percent or more of the previous 180 regular attendance days.

| | All | Female | Male | Non Binary | American Indian | Asian | Black | Hispanic | MENA | Native Hawaiian/ Pacific Islander | Two or More Races | White | Students with Disabilities |

## Truancy Rate

**What is it?**

This shows the percentage of students who miss more than 1 percent but less than 5 percent school days per year without a valid excuse. Illinois law defines "truant" as a student who is subject to compulsory school attendance and is absent without a valid excuse for more than 1 percent but less than 5 percent of the past 180 school days.

## About the data

Summative designations are ratings that help families and communities understand how well schools are serving all students. Illinois has six summative designations: Exemplary School, Approaching Exemplary School, Commendable School, Developing School, Comprehensive School, and Dually Designated School. Multiple measures of school performance and growth determine a school's annual* summative designation.

* Federal waivers issued in 2020 and 2021 impacted accountability. For more information, see www.isbe.net/summative.

**Annual Summative Designation**

**Approaching Exemplary School**

Patterns of strong performance approaching the highest levels. Schools with an Approaching Exemplary overall profile have no student groups with a Comprehensive profile.

No Data

**School Improvement Funds**

**Title 1 Schoolwide**

**Title I Status**

## Title I Status

**What is it?**

Title I Status indicates if an entity receives funds from the Title I grant. If an entity receives Title I funds, their status can be "Title I Targeted" or "Title I Schoolwide." Title I Targeted assistance programs must focus services to identify students most at risk of failing through multiple objective criteria. Services, including supplies, must ONLY focus on those students identified. Title I Schoolwide programs may focus services to the entire school. Schoolwide Title I Status is defined as a school with 40 percent or greater of the students enrolled classified as low income. Schoolwide programs are not required to identify students at risk and thus may focus their funding and efforts on raising achievement of the whole school.

| | Title I Status |

## School Improvement Funds

**What is it?**

Funds authorized under Title I, Part A, Section 1003 School Improvement of ESSA are allocated on a formula basis to LEAs serving the state's lowest-performing schools that are implementing comprehensive support and improvement activities or the state's underperforming schools that are implementing targeted support and improvement activities. School Improvement funds are disbursed by the Illinois State Board of Education to eligible LEAs via the IL-EMPOWER Grant to assist schools in improvement status develop, implement, and monitor effective School Improvement Plans. The purpose of the funding is to build the capacity of school leaders to implement effective school improvement practices, and the goal is to enable schools in improvement status to improve student achievement and performance outcomes and to exit status. LEAs use school improvement funding for the following types of planning and implementation activities:

- Contracting for professional services from state-approved learning partners.
- Conducting school-level needs assessments.
- Analyzing data.
- Identifying resource inequities.
- Researching and implementing evidence-based interventions.
- Purchasing standards-aligned curriculum and materials.
- Purchasing and administering local assessments for progress monitoring.
- Paying school personnel to collaborate and to develop, implement, and monitor School Improvement Plans.

## Meta Indicator Components

**What is it?**

Summative Designation Meta Indicators: The accountability system has meta-indicators that are currently being validated for use as indicators within the summative designation calculations in future years. The Illinois Report Card is not reporting an overall calculation, but rather the sub-elements of the indicator calculations.

Percentage of Students with 95% Attendance in Junior/Senior year: The tables indicate the percentage of students in this district and the state who graduated with an average attendance rate of 95% or better over their junior and senior years.

Percentage of students who fall into each GPA category: The tables indicate the percentage of students in this district and the state whose GPA fell into one of four categorical ranges (as noted in the table).

Percentage of students who meet the IL SAT/ ACT Composite Minimum requirement: The tables below indicate the percentage of students in this district and the state who met the minimum composite score requirements on the SAT or ACT.

Percentage of students who have at least 1 Academic ELA Indicator: The tables below indicate the percentage of students in this district and the state who have currently met the requirements for at least 1 academic ELA indicator.

Percentage of students who have at least 1 Academic Math Indicator: The tables below indicate the percentage of students in this district and the state who have currently met the requirements for at least 1 academic MATH indicator.

Percentage of students who have identified a Career Area of Interest by Sophomore Year: The tables below indicate the percentage of students in this district and the state who have identified a career area of interest by their sophomore year.

Percentage of students who have earned 1, 2, or 3+ career ready indicators: The tables below indicate the percentage of students in this district and the state who have earned 1, 2, or 3+ career-ready indicators.

Percentage of students who have earned a College and Career Pathway Endorsement: The tables below indicate the percentage of students in this district and the state who have earned a college and career pathway endorsement.

Student Participation in Fine Arts: The tables below indicate the percentage of students in this district and the state who were enrolled in one or more fine arts courses in the previous year.

Fine Arts: Teacher Qualifications: The tables below indicate the percentage of students in the district and the state enrolled in fine arts courses taught by teachers licensed to teach fine arts courses.

Summative Designation Meta Indicators/P2 Meta Indicators/Chronic Absenteeism: The percentage of students in grades K, 1, and 2 who are chronically absent.

Summative Designation Meta Indicators/P2 Meta Indicators/Dual Language Programs: The percentage of students designated as "Currently EL" or "Currently EL Transition Incomplete" students from K, 1st, and 2nd grade who are enrolled in a dual language program.

Summative Designation Meta Indicators/P2 Meta Indicators/3rd Grade Literacy: The percentage of 3rd grade students who have received an A, B, or C (or commensurate standards) in English Language Arts (ELA).

Summative Designation Meta Indicators/Elementary/Middle School Meta Indicators/5th Grade Math: The percentage of 5th grade students who have received an A, B, or C (or commensurate standards) in math.

Summative Designation Meta Indicators/Elementary/Middle School Meta Indicators/Academic Success: The percentage of 6th, 7th, and 8th grade students who have received at least one A or B (or commensurate standards) and no grade of D and F (or commensurate standards) in core content courses in the current academic year.

Summative Designation Meta Indicators/Elementary/Middle School Meta Indicators/Student Discipline: The percentage of 6th, 7th, and 8th grade students who have received a suspension or expulsion in the current academic year.

* indicates non-reported data. ‡ indicates suppressed data due to privacy concerns. Student counts reported are counts out of groups 10 or greater.

# Teachers

## About the data

Teacher data includes information regarding teachers, including salary, retention, and education, as well as information comparing the ratio of teachers to students.

## Teacher Information

**What is it?**

This shows information pertaining to teachers, including experience, education, attendance, and evaluation.

| | All Schools | Attendance Rate | Evaluation Rate |
|---|---|---|---|
| **School** | **10** | **67.0%** | ***** |
| District | **13** | **66.9%** | **94.7%** |
| State | **14** | **65.2%** | **96.7%** |

* indicates non-reported data. ‡ indicates suppressed data due to privacy concerns. Student counts reported are counts out of groups 10 or greater.

## Full-Time Equivalents

**What is it?**

This shows the total percentage and number of teacher Full-Time Equivalents. The number of teachers at each school varies greatly depending on the student population, schools' grade configuration, programs offered, and the financial resources of the district. This displays the race and gender distribution by FTE for teachers in (this school/this district/the state). The table shows distribution by FTE, of *full-time equivalent*. FTE counts take into consideration employees who are employed less than full time, adding together the representative percentages of their level of employment (so 2 half time/.5 employees = 1FTE). Information is gathered about the race/ethnicity of school and district teachers. The percentage of male and female teachers is also compiled.

## Teachers Education

**What is it?**

The tables below represent the percentage of teachers with bachelor's and master's degrees across the state and highlight the rates across all high-poverty and low-poverty schools in the district (as applicable).

**Teachers Education - Bachelor's**

| | All Schools | High Poverty Schools | Low Poverty Schools |
|---|---|---|---|
| **School** | **57.3%** | * | * |
| District | **44.4%** | * | **75.0%** |
| State | **42.4%** | **43.3%** | **36.6%** |

**Teachers Education - Master's**

| | All Schools | High Poverty Schools | Low Poverty Schools |
|---|---|---|---|
| **School** | **42.7%** | * | * |
| District | **55.6%** | * | **25.0%** |
| State | **56.5%** | **55.0%** | **63.0%** |

## Student-To-Teacher Ratios

**What is it?**

This shows the average number of students per teacher. Teachers classified as special education teachers are not included. Research indicates that children in lower grades show the potential for higher achievement scores when they are in smaller classes. Many factors contribute to student achievement, and class size is only one part of this bigger picture. Special education classes are not included in this calculation.

| | Student-Teacher Ratio |
|---|---|
| **School** | **19** |
| District | * |
| State | * |

* indicates non-reported data. ‡ indicates suppressed data due to privacy concerns. Student counts reported are counts out of groups 10 or greater.

## Novice Teachers

**What is it?**

The table below represents the percentage of teachers defined as "novice" - having less than 2 full-time equivalent years of combined public school teaching experience. The display summarizes the rate within this district and across the state and highlights the rates across all high-poverty and low-poverty schools in the district (as applicable).

| | All Schools | High Poverty Schools | Low Poverty Schools |
|---|---|---|---|
| **School** | **6**<br>**17.0%** | *<br>* | *<br>* |
| District | **7**<br>6.0% | *<br>* | *<br>* |
| State | **8,993**<br>6.4% | **2,547**<br>8.9% | **1,734**<br>4.1% |

## Teacher Out of Field

**What is it?**

The table below represents the percentage of teachers defined as "out-of-field" – a teacher teaching in a grade or content area for which he or she does not hold the appropriate state-issued license, endorsement, approvals, or previous qualifications. The display summarizes the rate across the state and highlights the rates across all high-poverty and low-poverty schools in the district (as applicable).

| | All Schools | High Poverty Schools | Low Poverty Schools |
|---|---|---|---|
| **School** | **2**<br>**2.0%** | *<br>* | *<br>* |
| District | **3**<br>0.4% | *<br>* | *<br>* |
| State | **87,209**<br>8.0% | **25,277**<br>11.8% | **11,884**<br>3.6% |

* indicates non-reported data. ‡ indicates suppressed data due to privacy concerns. Student counts reported are counts out of groups 10 or greater.

## Teachers with Short Term or Provisional Licenses

**What is it?**

The tables below represent the percentage of teachers teaching with short-term or provisional licenses. The display summarizes the rate across the state and highlights the rates across all high-poverty and low-poverty schools.

| | All Schools | High Poverty Schools | Low Poverty Schools |
|---|---|---|---|
| **School** | **3**<br>**8.0%** | *<br>* | *<br>* |
| District | **7**<br>6.0% | *<br>* | *<br>* |

# Administrators & Support Personnel

## About the data

Administrator data includes information regarding administration, including salary and turnover, as well as information comparing ratios of administration to both students and staff.

**Student-Administrator Ratio**

**Student-Certified Staff Ratio**

**3** principal(s) over the past 6 years

**Principal Turnover**

## Student-To-Staff Ratios

**What is it?**

This shows the average number of students per certified staff member and the average number of students per administrator.

| | Student-Certified Staff Ratio | Student-Administrator Ratio |
|---|---|---|
| **School** | **9** | **191** |
| District | **8** | **121** |
| State | **8** | **133** |

* indicates non-reported data. ‡ indicates suppressed data due to privacy concerns. Student counts reported are counts out of groups 10 or greater.

# Administrators & Support Personnel

## Demographics

**What is it?**

This shows the total percentage and number of administrator Full-Time Equivalents. The number of administrators at each school varies greatly depending on the student population, schools' grade configuration, programs offered, and the financial resources of the district.

| | | All | American Indian | Asian | Black | Hispanic | MENA | Native Hawaiian/ Pacific Islander | Two or More Races | White | Unknown |

* indicates non-reported data. ‡ indicates suppressed data due to privacy concerns. Student counts reported are counts out of groups 10 or greater.

# Administrators & Support Personnel

## Principal Turnover

**What is it?**

Principal Turnover for the school is the number of different principals at the same school in the last six years. At the district and state level, it is the average number of principals at the same school in the past six years. If the number is zero, no current data was provided.

| | Principal(s) over the past 6 years |
|---|---|
| **School** | **3** |
| District | **2** |
| State | **2** |

## Average Administrator Salary

**What is it?**

This shows the average salary for administrators. This information is reported at the district level.

| | Average Administrator Salary |
|---|---|
| **School** | **$119,702** |
| District | **$125,731** |
| State | **$128,760** |

* indicates non-reported data. ‡ indicates suppressed data due to privacy concerns. Student counts reported are counts out of groups 10 or greater.

# Administrators & Support Personnel

## Novice Administrator

**What is it?**

The table below represents the percentage of administrators defined as "novice" - having less than 2 full-time equivalent years of combined public school teaching experience. The display summarizes the rate within this district and across the state and highlights the rates across all high-poverty and low-poverty schools in the district (as applicable).

| | All Schools | High Poverty Schools | Low Poverty Schools |
|---|---|---|---|
| **School** | * * | * * | * * |
| District | * * | * * | * * |
| State | **1,040** 7.6% | **236** 10.1% | **222** 7.9% |

## Support Personnel FTE

**What is it?**

This displays the total support personnel (Counselors, School Nurses, School Psychologists, and School Social Workers) by FTE, of *full-time equivalent*. FTE counts take into consideration employees who are employed less than full time, adding together the representative percentages of their level of employment (so 2 half time/.5 employees = 1FTE).

**Total Support Personnel FTE**

| | Total School Counselor FTE | Total School Nurse FTE | Total School Psychologist FTE | Total School Social Worker FTE |
|---|---|---|---|---|
| **School** | * | * | **0.5** | **2** |
| District | **1** | * | **2** | **5** |
| State | **3727.1** | **1325.8** | **2168.6** | **4554.3** |

* indicates non-reported data. ‡ indicates suppressed data due to privacy concerns. Student counts reported are counts out of groups 10 or greater.

## Pupil Support Personnel Ratio

**What is it?**

These tables display the average number of students per counselor, the average number of students per nurse, the average number of students per social worker, and the average number of students per psychologist in this entity (whether it be school, district, or the state.) The ratio is calculated by using the fall enrollment total, divided by the number of FTE psychologists. When examining school or district ratios keep in mind that the number of psychologists can vary greatly between schools and districts, depending on their size, student population, programs, and financial resources.

**Student/Support Personnel Ratio**

| | Student/School Counselor Ratio | Student/School Nurse Ratio | Student/School Psychologist Ratio | Student/School Social Worker Ratio |
|---|---|---|---|---|
| **School** | * | * | **954** | **239** |
| District | **1,556** | * | **798** | **311** |
| State | **488** | **1,372** | **839** | **399** |

* indicates non-reported data. ‡ indicates suppressed data due to privacy concerns. Student counts reported are counts out of groups 10 or greater.

# Civil Rights Data Collection
(2023-24)

## About the data

The Civil Rights Data Collection (CRDC) is a biennial (i.e., every other school year) survey of public schools that has been required by the U.S. Department of Education Office for Civil Rights since 1968. The CRDC collects data on leading civil rights indicators related to access and barriers to educational opportunity from early childhood through Grade 12. The CRDC collects data from public Local Educational Agencies and schools, including juvenile facilities, charter schools, alternative schools, and schools serving only students with disabilities.

## Student Environment

**What is it?**

Data from the Civil Rights Data Collection (CRDC) comes directly from the U.S. Department of Education (ED). ED collects the data directly from ISBE and school districts and releases the information on a two- to three-year delay. ISBE also collects some of these data elements from districts and reports the results in the year it was collected. Current year data for in-school suspensions, out-of-school suspensions, and expulsions is reported by ISBE in a separate report on www.isbe.net. Current year data for chronic absenteeism can be found in the Students section of the Report Card. Please note data may not match due to differences in data collection methods.

| | In School Suspensions | Out Of School Suspensions | Expulsions | School Related Arrests | Referral to Law Enforcement | Chronic Absenteeism |
|---|---|---|---|---|---|---|
| **School** | **0.0%** | **0.0%** | **0.0%** | **0.0%** | **0.0%** | * |
| District | **1.0%** | **2.5%** | **0.7%** | **0.0%** | **0.0%** | * |
| State | **4.5%** | **3.8%** | **0.1%** | **0.1%** | **0.3%** | * |

* indicates non-reported data. ‡ indicates suppressed data due to privacy concerns. Student counts reported are counts out of groups 10 or greater.

## Student Environment (cont)

| | Incidents of Harassment or Bullying | Incidents of Violence | Number of Schools with Incidents of Violence | |
|---|---|---|---|---|
| | | | Firearm | Homicide |
| **School** | **0.0%** | **2.0%** | * | * |
| District | **0.1%** | **2.7%** | **0** | **0** |
| State | **0.9%** | **3.3%** | **17** | **2** |

## Academic Environment

**What is it?**

Data from the Civil Rights Data Collection comes directly from ED, which collects the data directly from ISBE and school districts and releases the information on a two- to three-year delay. ISBE also collects some of these data elements from districts and reports the results in the year it was collected. Current year data for accelerated coursework can be found in the Academic Performance section of the Report Card. Please note data may not match due to differences in data collection methods.
