

Verification of Employment

We are dedicated to protecting our employees' information. For this reason, we use [Verifent](#), to confirm verification of employment and/or verification of income (VOE/VOI) requests are legitimate, and a valid permissible purpose exists as defined by the Fair Credit Reporting Act (FCRA). Verifiers seeking employment and/or income information for our employees must submit VOE/VOI requests through Verifent.

To Submit a Request:

- [Log in](#). Please note that new Verifent users will need to register and create an account before proceeding.
- When prompted, enter our unique organization code: **605185**
- Please be prepared to provide the employee's date of birth and last four digits of the Social Security Number.

For additional information on this process, please visit [Verifent](#), or read through the [message to verifiers](#).
