

DISTRICT 75 PEANUT AND TREE NUT FREE SNACK LIST

Please Follow the Snack Requirements **exactly** as described.

Please **ONLY** select store bought items in **original packages with ingredient lists**.

Please, **ONLY** select items from this list, **do not substitute brands. Different Brands contain different ingredients and may be produced in an environment with peanuts or nuts.**

Check ingredient lists carefully **each time of purchase**, to ensure items do not contain nuts (peanuts, almonds, walnuts, pecans, cashews etc.) in any form. **Ingredients or production lines can change without warning!**

Avoid all items with labels that state: **“contains” “may contain traces of” “made on the same equipment” or “made in the same factory as” peanuts and/or tree nuts”**.

NO bakery items will be allowed, as cross contamination may have occurred in the facility.

Siga los requisitos de los refrigerios **exactamente** como se describen.

SÓLO seleccione artículos comprados en la tienda en paquetes originales con listas de ingredientes.

Por favor, seleccione **ÚNICAMENTE** artículos de esta lista, **no sustituya marcas. Diferentes marcas contienen diferentes ingredientes y pueden producirse en un ambiente con maní o nueces.**

Revise cuidadosamente las listas de ingredientes cada vez que compre, para asegurarse de que los artículos no contengan nueces (maní, almendras, nueces, nueces, anacardos, etc.) en ninguna forma. **¡Los ingredientes o las líneas de producción pueden cambiar sin previo aviso!**

Evite todos los artículos con etiquetas que digan: "contiene" "puede contener rastros de" "fabricado en el mismo equipo" o "fabricado en la misma fábrica que" maní y / o nueces de árbol ".

NO se permitirán artículos de panadería, ya que puede haber ocurrido contaminación cruzada en las instalaciones.
